Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Sunday 04 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Turning much colder Monday, with some early sleet or snow.

This Evening and Tonight:
Fine and dry this evening and much of the overnight period. A band of patchy cloud and rain moves across the region later in the night followed by clear spells. Minimum temperature 2 deg C (36 deg F).

Monday:
Becoming cloudy early morning with patchy rain turning to sleet or snow for a time. Sunny and dry by the afternoon, but feeling much colder with a brisk northerly wind. Maximum temperature 7 deg C (45 deg F).

Outlook for Tuesday to Thursday:
Staying cold, bright Tuesday, with snow showers along North Sea coasts. Widespread frost overnight. Cold, dry and sunny Wednesday and less windy. Somewhat milder on Thursday. Risk of rain later.
